

Alien Slime

You will need:

1/2 cup clear glue
3-5 drops orange food colouring
2 tbsp baking soda
1 tbsp contact lens solution
space glitter

1) Mix glue and food colouring in a large bowl.

2) Add space glitter and baking soda and mix well.

3) Add contact lens solution and mix until slime thickens. ***Knead it!***

4) Add more contact lens solution and knead for thicker consistency.
(Do this 10 drops at a time)
